INDICATIVE SEAL

DOMINO SP (DMSP)

Fixed Length Seal

Flexible metal strap and large marking area for durable indicative security.

DominoSP is a fixed length metal strap seal in Mega Fortris indicative seal range. The metal strap is fllexible with a large flap for identifiers marking. The seal is designed to settle close to the application surface, preventing damage during rough handling. It is versatile for securing and authentication tagging purposes.

Applications:

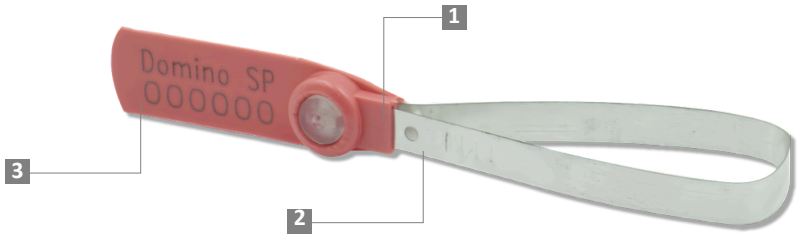

- Retail Applications
- Chemical and Oil Refinery
- Warehousing and Logistics
- Authentication Tagging

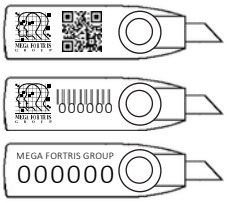

PREVENTION . PROTECTION . PEACE OF MIND

METAL SEAL-FIXED LENGTH

1. The Domino SP seal is moulded with Polypropylene (PP) material ultrasonically and heat staking welded over a tin-plated metal strap.
2. One-way locking mechanism is embedded for fast and easy application.
3. Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser marked on the flap.
4. Biodegradable additives for the plastic material are available.
5. Different strap lengths are available to cater for different applications.
